

ONDRA-HUYETT ASSOCIATES

30 YEARS OF BUILDING A LASTING IMPRESSION

In 1995 Ondra-Huyett Associates, Inc. (OHA) was founded with the belief in a better way to deliver construction by collaborating with owners, designers, and trade contractors to achieve the owner's objectives for cost, schedule, and quality while reducing risk to all parties involved in each project.

OHA knows that communication, cooperation and collaboration between the owner, designers and constructors improves the likelihood of project success. We persistently look for better ways to deliver buildings and to do so at a higher level of integrity and professionalism.

Our approach has worked well beyond our expectations. We earn business with it, we attract experienced talent because of it, and we depend on it every day to assure construction quality and value. OHA is recognized as major provider of construction services in the Eastern part of Pennsylvania serving top tier corporate clients by working with local and national Architect & Engineering firms and countless trade contractors to deliver over \$600+ million in award winning construction projects.

DIVERSE CLIENT BASE

Ondra-Huyett serves clients from commercial, industrial, higher education, institutional and health care industries, building everything from Class-A office space to hotels, resorts, and mission critical data centers.

Through its collaborative approach the company has built many long-term relationships with regional clients, including C.F. Martin & Co., Victaulic, PPL Corp., Lehigh Valley Sporting Clays, Bear Creek Mountain Resort in Macungie, and TierPoint Data Centers.

INTEGRITY LEADS TO LONGEVITY

For Ondra-Huyett, one of the best measures of success is repeat business. If you treat people fairly, are transparent with costs, approach challenges in an early and collaborative manner, deliver a quality product, add value, and honor your commitments; clients and contractors will respond favorably.
